ORDER

THIS MATTER is before the Court on defendant's Unopposed Motion for Early Termination of Probation/Supervised Release, filed through counsel. (Doc. No. 64).

On January 5, 2011, Defendant pled guilty to conspiring to Possess with Intent to Distribute Cocaine and Cocaine Base. Defendant was sentenced to 120 months of imprisonment. He served his prison sentence without incident and was released on May 25, 2018. Defendant has served a little over 3 years of his original 5-year term of supervision.

Since Defendant's term of supervision began on May 25, 2018, he has fully complied with all terms of his supervision. According to probation, he is on low-risk supervision. Since being on supervision, he has maintained a stable residence, has supported his dependents, has remained gainfully employed, has passed all drug screenings, has paid all fees, has not had any contact with law enforcement, and has not been arrested for any known offenses to date. Defendant asserts that United States Probation and the U.S. Attorney's Office have both been consulted regarding this motion and neither oppose the motion.

Finding that Defendant has shown that he is an excellent candidate for early termination of probation/supervised release, the Court will grant Defendant's motion.

ORDER

IT IS HEREBY ORDERED that Defendant's Unopposed Motion for Early Termination of Supervision (Doc. No. 64) is **GRANTED**.

Signed: July 14, 2021
